**MARC D. GROSSMAN** is a managing partner at Milberg. Since beginning his law career in 1993, Mr. Grossman has focused primarily on representing large groups of plaintiffs against common defendants. In 1999, after six years of practicing plaintiff's personal injury law in state and federal courts in New York and New Jersey, Mr. Grossman founded the law firm of Sanders and Grossman, P.C. specifically to pursue claims on behalf of medical providers. This firm, and its successors, grew dramatically under his leadership, and now represent thousands of medical providers litigating claims against insurance companies, and thousands of injury victims.

Mr. Grossman had a vision of uniting the medical profession by affording them the opportunity to litigate nominal claims that were being written off by medical providers as uncollectible and had not previously been practical for most attorneys to litigate. By coordinating discovery, utilizing the most up-to-date case management technology, and recruiting top office administrators and trial attorneys, Mr. Grossman's firm was able to greatly improve efficiencies throughout the litigation process and ultimately the viability of collecting these claims. By filing over 100,000 individual lawsuits, Mr. Grossman's firms garnered the attention of the insurance industry and the medical profession in New York eventually leading to a series of mass settlements on behalf of his clients and recoveries in the hundreds of millions of dollars. In just 2006 and 2007, Mr. Grossman's firm personally litigated, negotiated, and recovered over 100 million dollars for his medical provider clients. The unique experience Mr. Grossman garnered as an innovator and leader in the mass settlement of medical claims and mass torts made him a leader in his field in negotiating and obtaining large recoveries.

Most recently, Mr. Grossman has represented hundreds of injured clients in lead paint litigations, asbestos litigations, mold litigations, and thousands of victims of defective drugs and products. Mr. Grossman received recognition litigating Vioxx cases in New Jersey Superior Court where he served as a liaison to the media as a member of the Vioxx Plaintiffs' Steering Committee's ("PSC's") Public Relations Committee, and as a liaison for the Committee to many financial institutions and governmental agencies, offering a common voice for the hundreds of attorneys handling such cases and the tens of thousands of victims they represent. These efforts and the hard work of many other relentless attorneys ultimately led Merck to agree to one of the largest Civil Settlements in American History for \$4.85 Billion.

In December 2010, Mr. Grossman was nominated and invited to join both The Board of Directors of the New York State Trial Lawyers Association and the Executive Committee of Association of Trial Lawyers of America. Mr. Grossman is also a member of the Mass Tort Trial Lawyers Association and the Leaders Forum of the American Association of Justice.

After an \$8 million verdict in *Boles v. Merck* for a victim of Fosamax, Mr. Grossman, along with co-counsel, led the Trial Team in *Rosenberg v. Merck* which was the first bellwether New Jersey Trial in Atlantic County Superior Court. Mr. Grossman has become well known as a speaker and host of approximately 20 educational seminars designed to educate victims, the medical community, and other attorneys. Mr. Grossman has been quoted and has appeared in numerous local and national forums and in the media as a legal commentator and advocate of victims' rights against the corporate greed that plagues our nation. In January 2016, Mr. Grossman received the 2015 Litigator Award a significant distinction, achieved by less than 1% of all trial attorneys.
